DISCLOSURE!
W O VANCE,**

For the Public was a short time since admiss.

seen a sharp look out has at length given which was preferred against him. The charge against him, having opened the most complete and best and cheapest stock of Drugs, Medicines &c. ever brought to Clarksville, is abundantly proven by hundreds of witnesses who have called upon him, at his New Establishment of the store formerly occupied by Thomas and Ward, to testify that he will better and better know all water upon him than any one else ever did before. That he is a skilful purveyor, and good judge of drugs, is also proven by the use of oil of cognac to New York Brandy, fine

spirit which he had with the Eastern Drug-gists of being a No 1 buyer. They say there that he bought all his stock of either the Manufacturers or Importers, and thus getting them of first hands procured drugs of much better quality, as well as much cheaper than usual. As his stock is now throughout purchased with the men who prefer their Manufacturers and retail dealers do well to patronize him. PHYSICIANS, COUNTRY MERCHANTS, and WHOLESALE BUYERS particularly requested to give him a call, as he confident he will sell them lower rates than they can buy this side the Eastern Markets.
